

STUDY NOTES FROM KAREN HOERDEL'S "HEBREW NAMES OF GOD" TEACHING SERIES

JEHOVAH-JIREH

One of a number of names compounded with Jehovah. Jehovah in some aspect of His character as meeting human need.

Jehovah = eternal, self existing One, I AM: the Becoming One

Jireh = to see

With God, "to see" is to foresee.

Also, another word for "see" is "vision."

Foreseeing is prevision.

As Jehovah of righteous and holiness, of love and redemption, having prevision of man's sin, fall and need, makes provision for that need.

Provision = pro + vision = to see beforehand.

For God "to see" is "to provide."

Genesis chapter 22 is one of the most significant examples in the Word of God.

Genesis 22:14 reveals:

"In the mount of the Lord it shall be seen." (King James Version)

"It shall be provided" [or he shall be seen or he shall be provided] (American Standard Version).

Genesis 22:16 "seeing Thou has not withheld Thy Son, Thine only Son from me."

Implied - even as I will not withhold my only and well beloved Son as the great provision for man's redemption.

Chief lesson of the story:

The deliverance of Isaac through the provision of a substitute.

The Lord will provide; He always provides.

Mt. Moriah later became the site of the Temple and the hill of Calvary where Jesus would become the substitutionary sacrifice for the sin of mankind. (II Chronicles 3:1)

John 8:56 -

Your father Abraham rejoiced to see my day; and he saw (it) and was glad.

God will provide Himself a Lamb. In the mount of the Lord it shall be seen, it shall be provided.

In the mount of the Lord He was seen, He was provided, even Jesus Christ, the Lamb of God, our Savior, our Lord, to Whom be glory forever.

During times of need, of hardship, of testing, know and trust Jehovah-Jireh (YAWEH-YIREH). He will provide all our needs.
